CENTRALIZE YOUR EXPERT PANELS FOR PATHOLOGY

"The PathoZoom® Clinical Trials Suite has taken our panel pathology to the next level, and it saves us plenty of time and money."

International Scientific Director
of a pharmaceutical company

Have your panel experts view and diagnose all slides in the **PathoZoom® Clinical Trials Suite** and receive the results instantly!

> The end of shipping glass

With the PathoZoom® Clinical Trials Suite, the days of glass slides shipping around the globe are finally numbered. Slides can be scanned anywhere and uploaded immediately into the CTS – from anywhere at any time. This not only saves an incredible amount of time but also eliminates the risk of losing or damaging precious study slides.
